WORK EXPERIENCE

MEDIOR FULLSTACK DEVELOPER

@ Catexis, Dordrecht – The Netherlands

[Mar 2018 / Today]

- Developing and creating web applications as per the specifications

SOFTWARE ENGINEER

@ FortelMedia, Rotterdam – The Netherlands

[2016 / Jan 2018]

- Keeping track of website visits, updating new content displays on websites
- Developing and creating PHP/MySQL applications as per the specifications
- Performing the responsibilities of implementing and hosting of systems on a web server
- Coordinating with team members in developing database structure
- Testing and analyzing programming projects and reporting the same to the programming manager

WEB DEVELOPER & IT CONSULTANT

@ Council of the Bar Association of Messina, Italy

[2004 – 2016]

Designed, developed and managed Messina's Bar Association Website ~ 2016

- Websites and Applications Development.
- Managing contents, security, accesses and maintenance.
- Email campaigns and data analysis.
- Offering consultancy services providing queries results from legal databases.
- Setting up and managing user accounts.
- Installing system-wide software.
- Hardware Support and Maintenance responsible.
- Adding and configuring new workstations.

SELECTED ACCOMPLISHMENTS

Saved many thousands of euro computerizing the old tasks and increasing the productivity. Sharing and optimizing resources by a network and making their first dynamic website, I played a key role of their IT change, cutting the waste of money in telecommunications.

IT SERVICES AND HARDWARE RESELLER

@ Owner, Messina – Italy

[2007 / 2010]

- Web applications and web site services provided.
- Production of customized solutions.
- Sales, Marketing and Account Management.
- Dealing with clients and suppliers.

SELECTED ACCOMPLISHMENTS

Successfully negotiated and set-up trade deals between my company and some organizations, developed new markets and maintained a solid network of global contacts with companies and resellers. I sold my company after three years making a capital gain despite the crisis in Italy.

Datatables, Socket.io

Testing

Unit Testing (Basic Knowledge)
